

# THE TEN PRINCIPLES OF THE UN GLOBAL COMPACT

February 2016

## Statement

With reference to "The ten Principles of the United Nations Global Compact", we embrace, support and enact within our sphere of influence a set of core values in the areas of human rights, labour standards, the environment and anti-corruption.

## Human Rights

Principle 1: Businesses should support and respect the protection of internationally proclaimed human rights; and

Principle 2: make sure that they are not complicit in human rights abuses.

## Labour

Principle 3: Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;

Principle 4: the elimination of all forms of forced and compulsory labour;

Principle 5: the effective abolition of child labour; and

Principle 6: the elimination of discrimination in respect of employment and occupation.

## Environment

Principle 7: Businesses should support a precautionary approach to environmental challenges;

Principle 8: undertake initiatives to promote greater environmental responsibility; and

Principle 9: encourage the development and diffusion of environmentally friendly technologies.

## Anti-Corruption

Principle 10: Businesses should work against corruption in all its forms, including extortion and bribery.
